<sup>1</sup> Minimum charge of \$55 per radwaste container.

<sup>2</sup> Increase in radwaste broker fees may require modification of these charge rates.

<sup>3</sup> Radwaste rates apply to normally scheduled times for Wednesday radwaste truck pickup dates; rates double for other radwaste truck pickup dates and times.

<sup>4</sup> Disposal of high activity radwaste may result in additional charge due to increased radwaste broker fees.

<sup>5</sup> Receipt of Radioactive Material Order by Radiation Safety reflects special handling, such as immediate delivery, order placements made by off-site personnel, or distant delivery by Radiation Safety staff.
